

Xena is a partner in the **TACTIC** project

“Tools for managing and mentoring the international work placements to guarantee the recognition of the competences acquired and the quality of the learning process”, promoted by Accademia Europea di Firenze approved and funded by the LLP programme KA4, carried out between 2008 and 2009 (code: 135760-LLP-2007-IT-KA4MP).

If you are interested in:

- knowing more about the project
- receiving information about how to get a copy of the manual
- receiving information and an invitation for a regional meeting in your country

You can visit <http://tactic.dep.net/TACTICHomePage/tabid/56/Default.aspx>

and/or contact:

Xena centro scambi e dinamiche interculturali (Padua-Italy)
